Dayton Microcomputer Association Meetup

The Investment SIG emphasizes the use of digital tools (usually free) in investing. Sites examined in 2014 include Investopedia, Seeking Alpha, and Sig Fig. We've also looked at the investment tracking features of GnuCash, an open-source accounting program.

This SIG meets at 7 PM on the second Tuesday of each month, usually in the Panera Bread to the rear of the Town & Country Shopping Center in Kettering, just off Far Hills Avenue
